

# HARDWOOD FLOOR WARRANTY

## General Guidelines

BuildDirect recommends that all flooring is professionally installed for a valid warranty. The manufacturer warrants all products to be free from defects in material and workmanship, under normal use and service, for a specified length of time from the date of purchase as set forth below. This limited warranty only applies provided the flooring covered by this warranty is installed and maintained according to the BuildDirect Installation Instructions and the BuildDirect Care & Maintenance Instructions.

The manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application.

- Flooring should be one of the last items installed in any new construction or remodel project.
- Inspect all materials carefully for color, finish, sheen and defects before installation. Ensure adequate lighting for proper inspection. The warranty does not cover materials with visible defects once they are installed. If there any doubts to the quality, dimensions or appearance of the flooring DO NOT INSTALL. Please contact BuildDirect as INSTALLATION IS ACCEPTANCE.
- Store flooring boxes flat and fully supported during shipping and storage.
- Condition the flooring by storing the flooring in the room or rooms where installation will occur for 24-48 hours before installation at normal living temperature of 65–80°F and relative humidity of 37-45%. This product is not suitable for installation in areas above or below temperatures or relative humidity listed, or non-climate-controlled areas such as covered decks, porches or outdoors.
- Avoid direct sunlight exposure to minimize thermal degradation, color fading, and potential adverse effects on flooring.
- Installations in facilities where walkers and wheelchairs are used (residential and/or extended care) or in facilities with movement of heavy displays, racks, dentist chairs, etc. may exert extreme stress and compromise the surface and locking system resulting in gapping, product separation, bowing, heaving, and expansion in one direction.
- It is the responsibility of the installer/owner to determine if the jobsite subfloor and jobsite conditions are environmentally and structurally acceptable for floor installation. The manufacturer declines any responsibility for flooring failure resulting from or related to subfloor, subsurface, jobsite damage or deficiencies after flooring has been installed.
- All installed areas must have a working heater & air conditioner to provide normal living conditions for minimum of one week prior to installation and for duration of the flooring use. Normal living conditions include: normal living temperature of 60–80°F and relative humidity of 37-45%. This product is not suitable for installation in areas above or below temperatures or relative humidity listed, or non-climate-controlled areas such as covered decks, porches or outdoors.
- Do not use underlay products unless recommended by the product manufacturer. Please contact BuildDirect for questions about underlay and flooring installation.

Warranties are non-transferable and apply to customers who originally purchased and installed the flooring. The original, paid-in-full invoice is required. Claims must be filed by the original purchaser. No installer, retailer, distributor or agent, or employee of BuildDirect may alter the obligations or limitations of any warranty.

## LIMITED WARRANTY

### RESIDENTIAL WARRANTY PROGRAM

BuildDirect warrants to the original purchaser only that its pre-finished floors in its original manufactured and installed condition and installed in accordance with industry standards and BuildDirect instructions not to wear through or, if engineered, not to delaminate for the warranty duration period from the date of original purchase, when used under normal residential traffic and other conditions provided that there is continuance compliance with the preventive maintenance and regular maintenance programs prescribed in the World Floor Covering Association Maintenance Guidelines and with the other provisions set forth below.

BuildDirect also warrants to the original purchaser only that its pre-finished floors in its original manufactured and installed condition and installed in accordance with industry standards and BuildDirect instructions are free of any manufacturing defects caused by improper milling, grading, dimension and coating for the lifetime of the floor, when used under normal residential traffic and other conditions provided that there is continuance compliance with the preventive maintenance and regular maintenance programs prescribed in the World Floor Covering Association Maintenance Guidelines and with the other provisions set forth below. BuildDirect is liable only for defective flooring that exceeds 5% of the same BuildDirect flooring installed in the room in which the defective flooring was properly installed.

# HARDWOOD FLOOR WARRANTY

below. BuildDirect is liable only for defective flooring that exceeds 5% of the same BuildDirect flooring installed in the room in which the defective flooring was properly installed.

## RADIANT HEAT

BuildDirect products are NOT meant for radiant heat installations unless the product is clearly marked as suitable for radiant Heat installations.

## REMEDY

The only remedy for defective flooring covered by any of the above warranties shall be, at BuildDirect's sole option, the repair or replacement of such defective flooring or the return of the original purchase price of the defective flooring.

## ADDITIONAL TERMS AND CONDITIONS

These warranties apply only if the following six (6) conditions are met:

1. The original consumer who purchased the floor is making the warranty claim;
2. That claim is for the flooring located at the original site of installation, in its original manufactured condition (that is, properly installed, reasonable wear and use excepted);
3. The floor has been used for residential use only;
4. There has been full compliance with all of the other provisions of these limited Warranties, without exception;
5. BuildDirect has been fully paid for the flooring; and
6. BuildDirect receives the claim within six (6) months of the occurrence of the alleged defect. These warranties are not transferable. These warranties may not be altered by any dealer, installer, agent or distributor of BuildDirect, or anyone else. Do not install defective flooring. The installer and homeowner are responsible to inspect the flooring prior to installation. Defects discoverable prior to installation shall be conclusively deemed to be waived after installation.

## Disclaimers [read these carefully]

The foregoing is the complete and exclusive statement of the express warranties provided and is in lieu of all the other express, implied and/or statutory warranties. BuildDirect makes absolutely no warranty of any kind, express or implied, whether of merchantability, fitness for any particular purpose, or otherwise, except as stated in these limited warranties. BuildDirect has no other obligations of any kind to anyone. BuildDirect will not compensate anyone for any claims, losses or damages of any kind during the applicable limited warranty period or otherwise except as stated expressly in these limited warranties. All of our obligations end when the applicable limited warranty period is over. BuildDirect shall not be liable to anyone for any incidental, special or consequential damages, labor costs, loss of income or profits for any defect or for any claim arising out of any alleged breach of (1) these limited warranties, or (2) any implied warranty, or (3) any other theory, law or otherwise.

Some states do not allow the exclusion or limitation of incidental, special or consequential damages, or the exclusion or limitation of implied warranties, so such exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may have other rights that vary from state to state.
